## ALUMNI DAY AT GOULD SATURDAY SEPTEMBER 23

On Saturday, Sept. 23, over 250 alumni returned to the Gould campus for reunion day. Alumni '78. The weather cooperated beautifully and even though it was cold early that morning, 120 showed up at the Bethel Inn Beach Club on Songo Pond, just south of Bethel. There they were treated to the annual Lumberman's Breakfast, a hearty feast that matched the cool air and pleasant surroundings.

At 10:30, 77 Alumni met at the Moses Mason Historical Museum to hear Dr. Stanley Howe, class of 1962, and to see slides of "Gould Academy Through the Years."

At the luncheon, members of the Gould senior class joined the Alumni, where they had the opportunity to see what is in store for them, as Alumni, after graduation next spring. Various introductions were made by Alumni Board President Richard Wyman '82, and included Headmaster Don Fudge and his wife, Doris; Assistant Headmaster John Swift and wife, Susan; Admissions Director Ed Hitchcock; the oldest Alumnus, Tom Vail 1907; and Parker Russell 1911. Also introduced was the alumnus from the furthest distance, Jim Hill, '59, from California. The class of 1959 was the largest class present. Three former Gould teachers and their wives were also introduced and given a warm welcome by the over 200 people assembled in the William Bingham Gymnasium. They were Bob Scott and his wife, Marguerite, Joe Rodrick and Helen, and Dave and Irma Thompson, who combined, taught at Gould for over 60 years. Headmaster Fudge then gave a brief "State of the Academy" address, which stressed Gould's emphasis on academic excellence, and the important role the Alumni body plays in maintaining a fine school.

Athletic contests followed, with the varsity field hockey and varsity soccer teams both playing visiting Wiscasset to 2-2 draws, and the cross country team losing to Buckfield. The JV soccer team beat Wiscasset 4-2, but the JV field hockey team lost their game 3-0 to the same Wiscasset club.

A reception for all Alumni was then held at the Headmaster's house, followed by a banquet in the gym. At this time, the Alumni of the Year award was presented to T. Fitzmaurice Vail, class of 1907, who stated in his acceptance that, "No matter how far or where I travel my heart will always be in Bethel and at Gould Academy."

In addition, 50-year honorary diplomas were awarded to members of the class of 1928. Those receiving diplomas were Albert H. Brown, Julia Brown, Maxine Clough Brown, Dr. Milner A. Chapin, Wendell A. Gibbs, Lenise Cummings Kimball, Faye Mitchell Kimball, Nellie Willis Miller, Elizabeth A. Morse, Helen Morton, Katherine Elliott Penney, Earlyn W. Wheeler and Hedley R. Wheeler. After the banquet, reunion classes met at various homes and inns in town for a continuation of the day's festivities.

## COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Board of Selectmen met in regular session Monday evening Sept. 25, at the Bethel Savings Bank Meeting Room and acted on a long and varied agenda. A weapons permit was approved for Dennis Wheeler following discussion with Mr. Wheeler about his application.

The Board approved for payment, an invoice from DuBois & King in the amount of \$4,856. This was for work on the Sewer Study through Aug. 26, 1978. The Manager also reviewed with the Selectmen the financial summary of the project to date.

After reviewing pole permit applications from Central Maine Power for poles on Paradise Road and the West Bethel Flat Road, the following action was taken. The Board voted to require the poles be set as far back to the edge of the Town's road right of way as possible unless there are extenuating circumstances requiring a variance. The Board directed the Manager to send a letter to CMP stating that a site inspection must be done by the Town Manager or his authorized representative together with a representative of CMP prior to any poles being placed. Action on the two applications was tabled until the next meeting pending additional information. The Board also directed the manager to develop a fee schedule for pole permit applications.

Water District Trustees Robert Saunders and Sumner Burgess met with the Board to review past and current District activities. Items discussed were the Mills suit, EDA project, chlorine count, leaks in West Bethel, the hiring of a new superintendent, meter installations, payment to the Town for services, and Robert Chapman's trailer placement on Paradise Road.

The Manager presented a plan of proposed sidewalk reconstruction on Main Street from Philbrook Street to Chapman Street. The estimated cost for this work is \$13,000 and the Town had budgeted \$4,000 in 1978 for part of this work. The Manager recommended that the budgeted amount for 1978 be carried forward and that funds for the remainder of the work be included in the 1979 budget. The Selectmen voted to follow this recommended action. The Board also requested that the financing of sidewalk construction and repair be discussed at a future meeting with a recommendation from the Manager.

In discussions of highway equipment, the Manager reported that the bulldozer will be undergoing major repair to the tracks, rolls, and sprockets and that the Town would be building a salt hopper for use in putting up winter sand. The Manager and highway foreman went to Rockland to see a snow blower which is being put up for bid by the Knox County Regional Airport. The unit is a 1943 Oshkosh and they found it to be in good condition. The Selectmen voted to submit a bid on this machine. The Town received one bid for the 1973 International pick-up of \$55,500 and the Selectmen voted to reject the bid because it was too low. The Board voted to authorize the manager to dispose of the truck for a reasonable price prior to Oct. 31.

The Board voted to award the police car bid to Ripley and Fletcher Co. at a low bid of \$5,285 without trade. Other bids were Carriek Motors \$6,004 and Israel Motors \$8,175.

The Board voted upon the recommendation of the Manager, to

send a letter to the Health Council asking that they consider the feasibility of the ambulance being housed in the proposed new clinic facility.

The Board reviewed proposed stumpage prices to be included in the year's timber sale agreement with Malcolm Gross for cutting at the Town Farm wood lot this winter. The multi-year project was awarded to Malcolm Gross in 1977 subject to annual stumpage price negotiations.

The Selectmen discussed the status of the old Ferry Road off the N. W. Bethel Road which led to the old Ferry Landing. The property was maintained as a section of the road ends at Everett Saunders' house. Upon information presented by the manager the Board voted to consider the unused section as abandoned, under provisions of State law, and to have a plan drawn showing the section that presently exists and the section considered to be abandoned.

In other action, the Board reviewed a letter from Gordon Gilles concerning police officer training and voted to support the Maine Municipal Association slate of officers for 1978-79 as proposed by the nominating committee.

The Board of Assessors will meet Monday, Oct. 2, the Airport Advisory Committee Wednesday, Oct. 4, and the Selectmen will hold their next regular session Monday, Oct. 9.

## M. S. A. D. #44 DIRECTORS MEET AT ANDOVER

The S. A. D. #44 board of directors held a regular meeting at the Andover Elementary School on Monday evening of this week.

30-Jay Richardson, an Andover citizen, inquired about the reason for the lack of heat and hot water at the Telstar complex. Supt. Kenneth Smith replied that a pre-heating unit for the #6 fuel oil had malfunctioned in late August. A new part had to be ordered from Connecticut. The part had to be manufactured and had arrived at the school last week. Mr. Smith reported that heat had been restored as of Monday afternoon.

The board approved specifications for bids to be sought for a ski area for S. A. D. #44 during the 1978-79 season. A job description for the head custodian at Telstar was approved.

Marie Wilson was appointed as Affirmative Action, Title IX, Section 504 Coordinator for S. A. D. #44.

A field trip for 30 to 50 Telstar High students to the annual College Fair at the University of Southern Maine was approved.

The request of the Gideons to place New Testaments in the District Grade 5 classrooms was approved. They will be available so that each student may voluntarily take one if they desire.

Board chairman Harry Swan appointed the personnel committee as the panel to evaluate the superintendent of schools, and to report to the full board at the first meeting in November.

Mrs. Joan Wirth of Andover, S. A. D. #44 Health Coordinator, reported to board on the current status and future plans of the Health Education Project.

A brief executive session was held by the board to discuss matters pertaining to negotiations.

Board members absent: Frances Gunther, Patricia Hudson, Bethel; Arnold Jordan, Greenwood; James Sysko, Newry.

The next meeting of the directors will be held next Monday evening, Oct. 1, at 7:30 in the gymnasium of Woodstock Elementary School.

## "THE BASE CAMP" DESTROYED BY EARLY MONDAY FIRE

In a fire of as yet undetermined origin, "The Base Camp," a combination, restaurant, and lounge near the Sunday River Skiway, was totally destroyed in the early morning hours of Monday of this week.

The loss was expected to total \$400,000, as the result of the fire that was undiscovered until about 6 a. m. Monday morning. Bethel Fire Department officials reported that there had been a call on the "red network" at 1:35 a. m. but no one replied to the department's request for information.

The 40x48 foot, 2 1/2 story building, built about a year ago, was opened late last winter, and was reportedly open on Saturday, but was closed Sunday.

Bethel Fire Chief Robert Davis said that if it had not been for a heavy fog and dew during the night, the entire mountainside might have been ablaze.

## HISTORICAL SOCIETY TO MEET THURSDAY, OCT. 5

The monthly meeting of the Bethel Historical Society will be held Thursday, Oct. 5, in the meeting room of the Dr. Moses Mason House at 7:30 p. m. This will be the annual "what's it" meeting. Anyone having an unusual item from the past should bring it to see if anyone present can identify its use. Also if time permits, slides of old photographs accumulated by the Society during the past year will be shown. Anyone interested is cordially urged to attend. Refreshments will follow the program.

The Bethel History course will begin on Oct. 3 at 7:30 p. m. in the meeting room of the Dr. Moses Mason House. Registrations will be taken at that time.

Frances Harding and Edith Edy were inadvertently omitted from the list of Museum Committee members published last week.

## EDUCATION WORK COUNCIL TO HOLD ANNUAL MEETING WEDNESDAY, OCT. 18

The Bethel Area Community Education Work Council will hold its first annual meeting on Wednesday evening, Oct. 18, at the Mundt-Allen American Legion building on Vernon Street, Bethel.

The Education Work Council's prime goal is to determine ways in which the total community can assist young people in making the move from formal education into the world of work. The annual meeting is planned as an opportunity for the Education Work Council to share with the community what they have been up to over the past year and for members of the community to share their concerns about the situation young people face in entering the world of work and their suggestions of ways which the community can improve that process.

It is believed the plans for the annual meeting will allow this sharing to occur. An evening has been planned that promises to be enjoyable with a buffet beginning at 7 p. m. followed by a brief business meeting and an informal discussion — "Sharing Responsibility for Improved Youth Transition—How Does a Community Assist Its Youth?" As the Council operates on a limited budget, community members are asked to share in the cost of the buffet. The cost to citizens will be \$2.50. It is necessary to determine the number of people attending the buffet by Oct. 4. Please call the Council Office at 824-2538, or drop a note to the Education Work Council, c/o MSAD #44, Bethel, Maine, if you will attend.

Interested community members who find it impossible to attend the buffet should feel free to join the remainder of the evening.

There are reports of moose and portions of same in and beside roads in this vicinity.

The foliage is especially lovely this year.

Some women from the U. S. Bureau of Census were around town recently. The questions they asked had no relation to population and they admitted to disregarding posted signs and peering into windows. They said the law permitted this behaviour. I asked the local officials and they felt this was unlawful and referred me to the FBI. The FBI and Census Bureau headquarters in Boston asserted the right of these people to trespass and snoop at will. What a beautiful set-up for the KBQ to work from. For what it will be worth I shall write a few protest letters. I understand the prying is much worse in urban areas and from an interview on TV that the media is, as expected, giving us a one sided view in favor of this invasion of privacy.

The Gilbert Wags of Milford, N. H. were recent guests of the Richard Lecomtes.

Walter Wade spent an overnight visit with his son, Larry on his way home from Augusta, where he had visited his 90 plus year old father.

There was a killing frost Monday night. There had been spot frosts earlier which did some damage in some places.

Kathy Bernier of Lewiston has been visiting her parents and other relatives and friends in the area for a few days.

The weather has been clear and crisp much of the time and the leaves are changing to their natural color before chlorophyll.

Representatives of the U. S. Bureau of the Census called on several people in town. Some of the questions had no apparent pertinence to either census or commerce. According to one of the ladies, the census bureau is under the U. S. Commerce bureau. Fred Jenkins went to Portland to see his son run in a race. Fred II came in 3rd place.

The next Ladies Aid meeting is scheduled for Oct. 5. A hallowe'en party will be hosted by parents and Larry Wade.

Sherry Akers and Ann Summer-ton were co-hostesses at a pink and blue shower recently. The guest of honor, Mrs. Janice Roberts, received many nice gifts from her neighbors and friends.

The Kiwanis Club of the Greater Rumford Area has been busy this past week at the Franklin County Fair. They had a game booth at the fair to raise money for their charities. Andover members working at the concession in Farmington were Dan Clark, Ted Tracy, Don Mixer and Ralph Summerton.

On Sept. 25, Mr. and Mrs. Charles A. Cutting took Mr. and Mrs. John Grover and Mrs. Beatrice Dresser to the Lewiston Airport where Charles A. Cutting met them and flew the Grovers to Logan Airport in Boston. Mr. and Mrs. Charles A. Cutting and Mrs. Dresser traveled on to Portland to visit Mr. Cuttings cousin, Margaret Wilkins, then on to Kittery to visit Mrs. Dresser's son, Theodore Reed, then on to Dover, N. **Telstar R. H. S. News East Stoneham**

All Juniors planning to attend college or vocational institutes should plan to take the Preliminary Scholastic Aptitude Test (PSAT) which will be administered at Telstar on Oct. 24.

The PSAT measures verbal and mathematical aptitude—two abilities important in doing college work. By taking the PSAT/NMSQT, students can enter the competition for scholarships administered by the National Merit Scholarship Corporation and can get a good idea of what the Scholastic Aptitude Test (SAT) is like.

Along with their score reports, students will receive a copy of "About Your PSAT/NMSQT Scores," a booklet that contains valuable how-to information about estimating SAT scores; finding out about where to get and how to use detailed information about colleges and financial aid; and planning for financing a college education.

College representatives scheduled to visit Telstar prior to Nov. 1 are as follows:

Colby College, Oct. 2, 9:00; Thomas College, Oct. 2, 1:00; U. of M. (Orono), Oct. 4, 10:00; Bangor Community College, Oct. 6, 11:00; New England College, Oct. 10, 12:30; U. of Southern Maine, Oct. 12, 1:00; Harvard-Radcliffe,

**Zoning & Building Protection**

Most communities now have some rules about what you build where, and for what purposes. Check these restrictions carefully before buying or building. You could discover, for example, that local zoning laws forbid running a business out of your home. Or you may be prohibited from using certain building materials, or building a guesthouse on your land. Generally, your recourse is to appeal to the local board for a variance, an exception to the rules.

Sometimes the law requires you to take out a building permit in order to make changes in your home. Normally, a permit is required just for major

projects, not simple tasks like laying down a new floor or adding cabinets or bookcases. If you aren't certain about the need for a permit, it's wise to check. Also, be sure that any contractor you hire has obtained the necessary permits. To be safe, have that guarantee in writing. Also have him state in writing that the work he completes will comply with local building codes.

If there is anything we can do to help you in the field of real estate, please phone or drop in at EARLY REAL ESTATE, 60 Main St., Bethel. Phone: 824-2122, 824-2576. We're here to help!

— Mrs. Colista Morgan, Corres. —

We have on today's country side hardened arteries stitched together for roads from town to town but this week Ruth, Fay and I took one discontinued for many years. It led by the school house and should have seemed familiar to me after the many years I walked it. But no longer is it the same. Down the school house hill, where Fay and I used to ski, we went, noting the changes such as grown bushes and the like.

Back here from the speeding cars and rubber wheeled traffic there was a big difference.

This road wound along beside brooks and shadowed creeks which today were very quiet for lack of water. Even the old watering trough which so many times I have visited had not a trickle but held water which came in some time ago. Today it floated colored leaves and was very still.

Many years back, perhaps at the turn of the century this road had three tracks; one was made by the scuff of horses and two hard packed by wheels. Today it drowns in the mellow sunshine and no longer fits the need of the people, but there is still peace and beauty. It dipped here and there into hollows. We crossed the weather-grayed splintered bridge which crossed the Nile Brook. There was no stream running among the rocks.

It was easy to read part of the early history of this section; out through to the road which goes to the tower on Shaws Ledge.

The old fences and half hidden stone walls zigzagged by the few open places. Others were crowded in by grasses from either side, hidden by golden rod, asters, trees and bushes.

We followed the twist and curve of the road to a place where a new building is being built in the corner of a field, nearly out to the main road.

The foliage is really coming into color now. The way we traveled we saw maples in full flame, all the shades of red, scarlet, to deep crimson and some the color of strawberry ice cream. Of course the poplars were golden. The ash trees are eye catchers for they do strange things with color. Some times they appear odd blue or a kind of bluish blond.

The mountains across the valley are always there. They have varied aspects, depending on the time of year or the time of day, but otherwise there is little variation.

We found wild grapes by the road side, not yet ripe.

When we reached the tower, it looked like a huge giant reaching for the sky which made me feel so small and insignificant.

Our journey back seemed shorter. When completed, we had gone 5 1/2 miles through lanes of beauty, a perfect fall day. We had stood with autumn on a hilltop and had seen the meaning of the rolling hills that reached to the far horizon.

We had found a country trail, a pathway through the trees, where the berries were growing wild, and fragrance on the breeze.

Mr. and Mrs. Root have left Camp Suits-Us and have gone to Florida for the winter. Stanley Hakala is also at the same hospital.

The Greenwood fire department was called for fire at Mr. Pulisier's on Friday evening. A big bull moose has been in the farm fields. Fay Holt saw him just across the wall from her when

## Northwest Bethel

Clarice Gibson, Corres.

Summer has gone and now we are going into the last full season of '78. Summer decided Thursday to come back in full swing as we had our 90° weather. This week-end, I believe, was the peak in foliage. Riding into Bethel is a beautiful ride in itself; if we weren't usually thinking of why we were going into town instead of taking time to look at the beautiful scenery. Each year we forget how bright the reds, oranges and yellows are.

Gordon MacDougall had supper with his brother, Mr. and Mrs. Alden MacDougall and family, Sept. 13. Gordon was visiting relatives here as he lives in Florida.

Mary Beth and Amy Hannon, daughters of Mr. and Mrs. Danny Hannon, are both taking dancing lessons this year.

Thelma Merrill, Mr. and Mrs. Joe Shimamura and Jody, went to Mr. and Mrs. Stanley Gallant's 25th wedding anniversary party.

Edith Smith and Andy also went. The party was at the Gallant's Bethel home.

Mr. and Mrs. Bruce Smith, Matthew and Michael, visited his folks, Mr. and Mrs. Homer Smith Saturday afternoon.

Dennis Smith's address is: PV2 Dennis Smith 005-48-9397 D-1-5 4th Btl. Fort Dix, N. J. 08640.

Mr. and Mrs. Frank Benson went to Ben's Restaurant to eat this week-end and saw Mr. and Mrs. Ernest Angevine, so they all ate together.

Mr. and Mrs. Frank Benson had supper at their daughters and husband, Mr. and Mrs. Davis Kimball and children Sunday. They were sorry that one of their granddaughters was sick with the flu.

Mrs. Stanley Brown drove her sisters, Mrs. Lora Scanlon, North Hollywood and Mrs. Esma O'Neill, Ridgecrest, Calif., to their brother's Mark Sweeney, Jefferson, N. H. Thursday the two sisters will go back to Hartford, Conn., to visit their mother again before returning home.

Frank Benson bulldozed at Brown's and filled in and smoothed over where the old barn was. He also worked some for Raymond Chapman on the old Wilson place near where the shed had fallen in. John Laban has cleaned all the brush in his field and cleaned off the old stone wall so it shows once more.

Mr. and Mrs. Tom Gibbs and Heather left on Sept. 16 and stopped at Brantree, Mass., to visit friends and then went on to Suffield, Conn., to visit her parents, Mr. and Mrs. Lawrence Coulter and sister Karen. They took in the Eastern States Exposition where Karen was showing her prize Holstein.

Mr. and Mrs. George Gilbert went Saturday to the wedding of George's cousin's daughter. The bride was Karen Hall, daughter of Mr. and Mrs. Quentin Hall. Quentin was brought up in Bethel, the son of Mr. and Mrs. Norman Hall, who was the manager for years of the old First National Store on Main Street. The bridegroom was Randall Shaw.

Mrs. Pat Anderson and boys spent Friday to Sunday at her friend, Sandy Smith's home at Lake Winnepesaukee, N. H.

Alden MacDougall came home Friday from his trip to Prince Edward Island, as far as his father's Dr. and Mrs. James MacDougall's. Barbara and Jimmy MacDougall went to Rumford to pick up Alden. Alden did quite a lot of clam digging and oyster picking while there.

Mr. and Mrs. Dick Angevine went to supper to Northland's Dairy, Berlin, N. H., Saturday.

Mr. and Mrs. Ernest Angevine went to Dixfield Sunday and picked up Mrs. Rena Abbott. They took her to Strong to visit her granddaughter, Mr. and Mrs. (Bunny Blake) David Brown. They found the foliage beautiful.

Mrs. Charles Mason III, Jennifer Lynn, Charles IV and Olga Morgan from Greenwood, went to Jane Smith's housewares party Wednesday.

This week-end was the big

alumni reunion at Gould Academy. I believe the one who had the oldest class on our road was Mrs. Leslie Lapham, who had her 60th. Mrs. Lapham went to the alumni breakfast at Bethel Inn Beach Club. That class then went to Robert Hastings' in East Bethel. Four showed up. The other two were Jennie Bear Tyler from Lewiston and Cheney Bishop from Bowdoinham.

Evans Wilson spent Friday to Monday with his sister and husband, Mr. and Mrs. Leslie Lapham. This was his 55th and he went to the luncheon and banquet at night. Mrs. Wilson stayed with her brother and wife Mr. and Mrs. Guy Gibbs and also went to the alumni.

Mr. and Mrs. Philip Cummings came from Roselle Park, N. J., for Mrs. Cummings' 40th year reunion. When the Cummings return they will take back Mrs. Ada Balentine, Bryant Pond, for the winter.

Frank and I went to his 30th at Sunday River Inn. Had a nice visit with our next door neighbor in North Waterford. Mrs. Irving McAllister. When they were asking different ones what they were doing and had done, one man said that he had just had a plane crash in his woods. He was from Poland and the navy plane had crashed on his land.

Mr. and Mrs. Richard Tyler, Eliot, came Saturday and went to different events with Mr. and Mrs. Everett Saunders. It was Pat Saunders and Janice Tyler's 20th year reunion and this class met at Sudbury Inn in the evening. Janice and Dick spent Saturday night with the Saunders. Richard Tyler stayed with grandparents in Gilead and Richard Saunders spent the night with his grandmother Morton and family in Newry.

Mr. and Mrs. Larry Smith and Shawn came up from North Conway to visit his folks, Mr. and Mrs. Homer Smith and Andy. It was also Larry's 10th reunion. As each class came away from different reunions I wonder what thoughts were going through their minds.

Mr. and Mrs. Edward Peavey and Mrs. Thirza Gibson came Saturday. Gamme stayed with us and the Peavey's stayed with Mr. and Mrs. Howard Inman in Albany. They also went to the alumni gatherings.

Mr. and Mrs. Robert Stearns, Mr. and Mrs. Ricky Seames and Jody, went bowling in Berlin, with other members of the Nazarene Church.

Richard Saunders, son of Mr. and Mrs. Everett Saunders celebrated his 18th birthday at his home. His brother Robert, sister Roberta, grandmother Morton, uncles Peter and Jock, and aunt Becky and her two children, helped him celebrate.

Mr. and Mrs. Frank Gibson III visited at Gibson's Sunday with her nieces Laurie and Stephanie Crockett.

Home

A happy home is where kindness grows.

And blooms from day to day; Houses grow old and draperies fade.

Material things decay. But gentle word and kindly deeds Live on in the heart always.

A house, though fine, may be only a house.

For beautiful homes are rare; Where love's dear light shines warm and bright.

Even through clouds of care, If there's spiritual beauty within your home, You are blest beyond compare.

On Saturday, Sept. 23, several Gould Academy parties were held. Mrs. Richard Melville attended her 25th reunion party and then joined her husband at his 30th anniversary party at Sunday River Inn. Mr. and Mrs. Harry Swan, Jr., also attended the supper and social following, it being his 30th anniversary.

Mrs. Lillian Lapham has a pretty Easter Lily blossomed. It must have its season's mixed up.

It was well attended with friends and relatives from Locke Mills, Bethel, Bryant Pond, South Paris, Norway, Mechanic Falls, Wallingford, Conn., and North Conway, N. H.

Last week there were some errors in the reporting of the times and teachers of the Locke Mills church activities. So to clear these up the following items are being repeated. The Youth Group has been set for 7 p. m. and the Adult Bible studies at 8 p. m. on Thursday evenings. The teachers for the Sunday School which starts Oct. 1 at 10:30 a. m. are as follows: 3 yr. old, Margaret Ring; 4 yr. old, Pat Hebert; Sub-primary, Sharon Corkum; 1st grade, Denise Swan; 2nd, Sylvia Cross; 3rd, Barbara Dunham; 4th, Leatrice Chase; 5th and 6th, Cindy Cox; 7th and 8th, Maryann Swan; High School, Richard Melville.

Mr. and Mrs. Burton Cole are receiving congratulations on the birth of a daughter at the Stephens Memorial Hospital. She weighs seven pounds, one ounce, and has been named Emily. She joins two sisters, Angela and Carrie. Sharing grandparent honors are Mr. and Mrs. Marshall Kimball, North Paris, and Mr. and Mrs. Lester Cole, Locke Mills.

Mr. and Mrs. Gary Fuller spent three days at Swan Lake, N. Y., attending a national ski patrol forum. Several patrolers from Mt. Abram attended.

### CARD OF THANKS

We would like to thank our relatives and friends for making our 50th wedding anniversary such a happy occasion. The plans made and carried out by our children, was truly a work of love for us. The cards, gifts, pictures and notes surely will be long remembered. The beautiful flowers from our grandchildren, great grandchildren and Ladies Circle were an added joy. Many thanks to Barb and Ken for opening their home for a happy time and all who came to share it with us.

God Bless You,

## McGUIRE CAMPAIGNERS MET SEPTEMBER 24

Citizens for McGuire held their regular weekly meeting on Sept. 24, with Dennis Gray, candidate for State Senate in District 5, as a special guest. Gray, who was accompanied by his wife, Mareye, spoke to the group about his campaign and emphasized the friendliness of the reception accorded him by voters throughout the district. If elected, Gray would be available to serve the people of District 5 as a full-time representative. He plans to be visiting Bethel on Sept. 28 and 29, as well as at later dates prior to the election.

Paul McGuire, candidate for State Representative from District 63, returned from spending time campaigning in Magalloway and the northern reaches of the district, just in time to attend the meeting of the campaign committee. After negotiating such obstacles as a rabid fox and an over anxious flock of turkeys, McGuire found that residents of the northern end of district 63 were more than willing to share their feelings with him on a variety of woods related issues.

Publicity chairman Cathy Newell announced that Bethel Democrats are planning a canvass of Democrats in town in early October. Volunteers are needed to serve as neighborhood coordinators. Anyone who is willing to help in this capacity should contact Mrs. Newell or plan to attend the next meeting of Citizens for McGuire, which will be held on Oct. 1 at the home of the candidate on Winter St.

No other friend in all the world  
Will be as true to you  
For all her loving kindness  
She asks nothing in return  
When all the world deserts you  
To your Mother you can turn  
So all I can do dear Mother
